

**Labor Organization Bond Coverage Request
for Retired Members' Chapters**

This is a request that the officers and other members of CWA Retired Members' Chapter _____ who handle chapter funds be included under the CWA Blanket Labor Organization Bond in the amount of \$_____.

We understand that:

- The amount of the bond is the maximum the chapter can recover in the event of loss.
- Coverage starts at \$2,500 with incremental increases of \$2,500 to a maximum of \$500,000.
- Premiums are determined by the coverage amount. (Premium for minimum coverage is about \$35.00 for a three year period, prorated.)
- Coverage should equal 10% of the money in the chapter's bank accounts and projected yearly income from dues.
- The CWA bond covers a three year period (currently October 4, 2018 through October 4, 2021) and is automatically renewed.
- The chapter will be included in renewals unless CWA is notified by the chapter in writing to cancel.
- Changes for coverage that begins during the three-year period are prorated based on the coverage commencement date.
- All officers and members who handle chapter funds will be covered by the bond and do not need to be identified by name.
- We send the Request for Coverage form to CWA and CWA send the request to the bonding company. We do not send money with the request for coverage.
- The bonding company will issue the bond certificate and invoice directly to the chapter.
